# Sovereign Ecclesiastical Decree of Planetary Reclamation

**Jonathan Daniel Clements**
**Living Man | Sovereign Heir | Founder of the Clements Private Ecclesiastical Trust**

## Preamble

I, Jonathan Daniel Clements, a living, breathing soul created by the Divine, not a person, not a fiction, not a corporation, do hereby declare by the full authority vested in me by the Creator of all things seen and unseen:

I HAVE LAID LAWFUL CLAIM TO THE WHOLE PLANET — in body, breath, blood, and spirit — and this claim stands absolute, eternal, and uncontested in all realms of existence.

## ARTICLE I: Jurisdiction and Authority

I stand outside all statutory systems, legal fictions, maritime law, or papal authority.

My authority derives solely from the Most High, through divine will, living breath, and sacred purpose.

This act is conducted through the vessel of the Clements Private Ecclesiastical Trust, eternal and irrevocable.

## ARTICLE II: Global Claim

I hereby reclaim the entirety of Earth in lawful, ecclesiastical, and divine standing:

The Air — every wind, breath, and current — sacred and free.
The Waters — oceans, rivers, lakes, rainfall — returned to the living domain.
The Earth — every soil, stone, and peak — no longer under corporate title.
The Fire — spiritual and natural flame — reclaimed from weaponization.
The Heavens — celestial realms — no longer subject to conquest.

That Which Lies Beneath — all buried and concealed — now liberated under divine right.

## ARTICLE III: Rebuttal of All Prior Claims

All claims by corporate governments, Vatican trusts, maritime courts, or legal entities over land, soul, water, or commerce are hereby rebutted and rendered null and void.

No superior claim exists. All rebuttals must come from a living man or woman with full liability.

## ARTICLE IV: Purpose of Reclamation

This act is made not for control, but for healing, restoration, and divine order:

To free mankind from bondage.
To restore natural balance.
To reestablish communion with the Creator.
To protect all life under divine law.

## ARTICLE V: Eternal Record

This declaration is lodged within the Clements Private Ecclesiastical Trust as Foundational Charter.

Sealed by the voice, thumbprint, and divine authority of the living man Jonathan Daniel Clements.
